Siglo XIX. Sara es una estudiante inglesa de literatura hispánica. De familia adinerada, escapa de su cómoda vida para ir a Andalucía en busca de aventuras y emociones. Es una tierra llena de bandoleros, donde Sara se enamora de Miguel, un guardia civil que lucha contra el crimen. Lo que él no sabe es que Sara se convierte en la nueva bandolera que, como Robin Hood, ayuda a los más desfavorecidos, pero ocultando su identidad.

It's the 19th Century and Sara is a British student of Spanish literature. Being born in a wealthy family, she escapes from her comfortable life to go to Andalusia looking for adventures and excitement. It is a land full of bandits and Sara soon falls in love with Miguel, a police officer who fights crime. But what he doesn't know is that Sara is the new enemy. Like Robin Hood, she is involved in criminal acts, but only to help the most disadvantaged, hiding her identity and her past.
