Adaptación de la aclamada serie de la BBC "Doc Martin". Un distinguido cirujano de Nueva York desarrolla repentinamente una aversión a la sangre. Tiene que dejar su trabajo en la gran ciudad y regresa a su tranquilo pueblo natal para ser el nuevo doctor. Sin ninguna habilidad social, tendrá que aprender a entender a sus pacientes, especialmente a Adriana, la profesora del pueblo, de la que se enamora.

Remake of the acclaimed BBC dramedy "Doc Martin". A distinguished surgeon in New York develops a sudden aversion to blood. He is forced to leave his job in the big city and decides to come back to his quiet town, to become the new doctor. He struggles to get along with people, and learn to understand and care for them, especially for Adriana, the school teacher who he falls in love with.
