Una niña de 10 años, de familia humilde, gana un concurso musical y sus padres deciden mudarse a una urbanización de lujo. Son los nuevos vecinos de una familia de clase alta, horrorizada con la idea de tenerles a su lado. Desde ese momento se producirán choques constantes entre las dos familias tan dispares.

*A ten-year-old girl with a humble background wins a music contest and her parents decide to move into a luxurious neighborhood. They are the new neighbors of an upper-class family, instantly horrified by the idea of having them by their side. A move that will produce constant clashes between the two disparate families and bring out the differences between them too.*
