Alex es un reputado cirujano que lleva una vida normal hasta que sufre un ataque al corazón y recibe el trasplante de un órgano nuevo. A partir de ese momento comienza a sufrir extrañas pesadillas relacionadas con el asesinato del donante de su corazón. Alex se verá obligado a investigar esa muerte y a vivir entre dos familias, la suya y la del hombre cuya muerte hizo posible que él viviera...

Alex is a renowned surgeon who is leading a normal life until he suffers from heart attack and receives a heart transplant. From that moment on, he starts having terrible nightmares related to the murder of the person who donated his heart to save his life. Alex will be forced to investigate this death while being part of the two families; his own and the one of the man whose death saved him.
